

2026-27 Middle School Supplies List

New for 2026–27: Color-Coding System

Recommendation

To help middle school students stay organized, teachers encourage families to purchase the primary binder, notebook, and folder for each core subject in the assigned color whenever possible. This is optional, not required. Students who already have an organizational system that works well for them may continue using it.

-  English – Yellow
-  Math – Blue
-  Social Studies – Red
-  Science – Green
